About Jaipur

Jaipur, popularly known as the Pink City and State Capital of Rajasthan was founded in 1727, AD by one of the greatest rulers of the Kachhawah clan, the astronomer king Sawai Jai Singh. It was designed by the brilliant architect Vidyadhar Bhattacharya.

Jaipur is very popular place for tourists' point of view. There are hundreds of beautiful temples giving Jaipur its unique charm and it is also well known for its monuments and forts.

Jaipur is a shopping heaven famous for its handicrafts, blue pottery, carpets, Jaipuri razai, meenakari and miniature paintings.

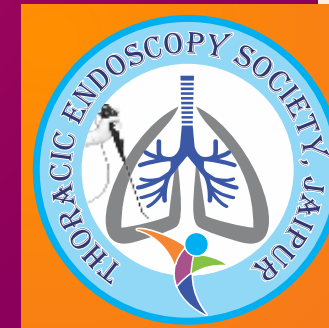

Metro rail was started in June 2015.

Jaipur is connected by Agra and Delhi and known as golden triangle.

Welcome

Dear Colleagues,

It is a felicity to invite you to the pink city for the inaugural workshop on **Thoracic Endoscopy – TESCOON 2016**, scheduled on **19th – 20th March 2016**. The workshop is being conducted by the Thoracic Endoscopy Society.

The society came into existence in the year 2012 with an explicit aim of advancing and honing the art, science and technology related to thoracic ailments, bronchoscopy and thoracoscopy. The intended target are the budding bronchoscopists, pulmonologists and thoracic surgeons.

The two day conference will host a galaxy of broncho luminaries from across the country. You will be privileged to share their expertise both during live workshop and educational thematic sessions. We assure you of a very high value learning.

The salubrious weather of this beacon tourist destination awaits your arrival and active participation.

With sincere good wishes...
