It is our immense pleasure to invite you in, "TESCON 2020", the 5th annual conference of Thoracic Endoscopy Society from 17th to 19th December 2021 at India's 1st Heritage City - Ahmedabad.

The theme of congress is "**Come, Share, Learn and Expand Horizons**" in Pulmonology and related subjects.

Border of fields of Interventional Pulmonology is expanding day by day at rapid pace, this 1 + 2 days TESCON will focus on best practices in field of Pulmonology and further expansion of other related specialities as well. The congress is a great platform for Bronchoscopist, Thoracoscopist, Interventional pulmonologist and allied professionals like ENT Specialists, Radiologists and Gastroenterologists, in India to share their experiences, update their knowledge and interact with fellow colleagues. Experts of each field will discuss on disease specific interventions with case- based approach to learn art of medicine. As Intervention is combination of Art and Science focusing to serve mankind, discussion based on latest evidence-based approaches through didactic lectures.

We are proud to bring you a great synergy of experts across the globe who are basically scientists and pioneers in field of interventional pulmonology through **TESCON 2020**. The scientific programme is targeted to provide tangible benefits and networking opportunities to current pulmonologist. It will also provide tremendous environment for early career oriented members to learn about future prospects and professional development activities.

TESCON 2020 is mentored by a host of distinguished International and National faculties with decades of experience in the field of interventional pulmonology.

Dear colleagues and friends

At outset it provides us immense pleasure and delight to announce in person meet **TESCON 2020** after torrid times of covid19. hopefully all of you are safe, healthy and as eager as we are for attending this meet .we express deepest gratitude towards organisers and participants as we welcome you all to **TESCON 2020**. Land of NAMO, Ahmedabad will host **TESCON 2020** from 17 to 19 December of this year.

After horrifying and uncertainty filled couple of years what better place than India's first Heritage city Ahmedabad one could have imagined this conference taking place.this vibrant and colourful city boast of being home to leading practitioners and researchers most of whom during the pandemic went quite a lot out of conventional practices for their patients. So this conference provides them with some extraordinary workshop and academic programs to stay updated with latest practices in the field and serve with renewed vigor for the society.

We are committed to provide you a never before had experience during your rendezvous with the living Heritage that is Ahmedabad and to set higher standards of quality and success. We assure you that here knowledge, beauty and Hospitality will combine in equal measure.

The event will shape up to be a melting pot for sharing of thoughts, ideas and medical findings on a large scale. There will be live demonstration of cases right from theaters along with hands on experience. There will also be a number of social events during the conference including Gala dinner and irresistible opportunities to see the famous landmarks and historical sites in Ahmedabad.

On Behalf of the organising committee we assure you a great scientific feast and long lasting lingering memories.

We look forward for your participation for making this conference a grand success.
